 - DisneyMoviesWatchlist is a server-side web application in C# - ASP.NET Core, Entity Framework and Razor Pages
 - Source: <https://github.com/zainab7681051/DisneyMoviesWatchlist>
 - URL: <https://zainab7681051.github.io/clevercode-services-website/>

- **FileConverterTool**

- Online tool for converting files from one type to another; DOCX to PDF, JPEG to PNG, etc...
- Source: <https://github.com/zainab7681051/OnlineFileConverterTool>
- URL: <https://fileconvertertool.web.app/>

RELEVANT EXPERIENCE

- **Volunteer IT Support**

- Diagnosed and resolved technical issues for teachers and staff by simplifying system navigation and troubleshooting hardware/software conflicts.
- Translated technical concepts into user-friendly instructions, developed strong communication skills and the ability to bridge gaps between technical and non-technical stakeholders.

- **Language Tutor (Volunteer)**

- Taught basic English and Arabic to community members, tailoring explanations to individual learning styles.
- Developed patience, adaptability, and clarity in communication.
